“ AD what can I say I can't believe this, you are to young to be gone, I seen your moms just last month when she came to the hospital, you are going to be missed by a lot of people, you were trying so hard to turn your life around. I will remember all the fun we had in Jr high and high school. Mrs. Willis if you ever need anything my love you know where I'm at I will try and get by to see you soon.
