Deepest sympathy with prayers and condolences to First Lady Copeland, entire family, church family and community! I will forever cherish the love and support Bishop Copeland gave to my family, especially my parents the late Rev. Willie Marvin and Sis. Jennie Bell Ferguson! He often spoke of my father as one of his mentor in the ministry! During their illnesses he reached out often to see whether we needed anything. He was also one of my mentor in the ministry! Thank him for making a difference touching lives impacting many on his journey in this borrowed land! 🙏❤️
